

SAVE THE DATE!

Mid-Atlantic Marine Debris Summit

July 20-22, 2021

Virtual • Half Days

Dan Rauch, Fish & Wildlife Division, DC Department of Energy & Environment

The public is invited to join researchers, educators, policy makers, and businesses as we explore regional and collaborative solutions to reduce litter and other sources of marine debris.

Registration and agenda available in late spring at midatlanticocean.org

Sponsored by:

NOAA Office for Coastal Management

MARCO Mid-Atlantic Marine Debris Work Group

Virginia Coastal Zone Management Program at Virginia Department of Environmental Quality

Clean Virginia Waterways of Longwood University

Virginia Coastal Zone
MANAGEMENT PROGRAM
